UNDER SECTION 11 OF THE NATIONAL SCHOOL TEACHERS' (IRELAND) ACT,
1879 (42 & 43 VIOL. c. 74.)

JAMES H. CAMPBELL.

WE, the Lords Justices and General Governors of Ireland, in the exercise of the power given to Us by the National School Teachers' (Ireland) Act, 1879, and of every other power enabling Us in that behalf, do, with the consent of the Lords Commissioners of His Majesty's Treasury, make the following Rule, viz. :—

Notwithstanding anything contained in the Irish Teachers' Pension Rules, 1914, or the Supplementary Rule dated 27th December, 1916, a pensioned National School Teacher in receipt of pension at the date of the enactment of the Pensions (Increase) Act, 1920, may elect to receive, in lieu of the benefits provided for pre-war pensioners under the provisions of the said Act, a pension in addition to the pension he is then receiving to be calculated at the rate of one-eightieth either of the average amount of war bonus paid to him during the three years ending 31st March next preceding the date of his retirement, or of seventy-five per cent. of the yearly rate of war bonus paid to him at the date of his retirement, whichever is the less, in respect of each completed year of his service, such additional pension to be payable as from the 1st day of April, 1920, or from the date of retirement if later than the 1st day of April, 1920.

Provided that a pensioned teacher, who elects as aforesaid, shall pay as premium to the Teachers' Pension Fund a sum amounting to four per cent. of seventy-five per cent. of the total amount of war bonus received by him up to the date of his retirement.

This Rule shall be construed as one with the Irish Teachers' Pension Rules, 1914, and may be cited as the Irish Teachers' Pension (No. 1) Rule, 1920.

We, being Two of the Lords Commissioners of His Majesty's Treasury, hereby signify Our consent to the enactment of the above Rule.

1. Where a teacher has become entitled to pension under Rule 9 of the Irish Teachers' Pension Rules, 1914, as from any date subsequent to the date of the enactment of the Pensions (Increase) Act, 1920, he shall be eligible notwithstanding anything contained in the Irish Teachers' Pension Rules, 1914, or the Supplementary Rule dated 27th December, 1916, for the grant of an additional pension to be calculated at the rate of one-eightieth either of the average amount of war bonus paid to him during the three years ending the 31st March next preceding the date of his retirement, or of seventy-five per cent. of the yearly rate of war bonus paid to him at the date of his retirement, whichever is the less, in respect of each completed year of his service.
